Mr. David G. Marwell
Executive Director
Assassination Records Review Board
600 E Street, N.W.
Washington, D.C. 20530

Dear David:

This is to acknowledge your letter of 12 September 1995 to Director of Central Intelligence Deutch describing the Assassination Records Review Boards's most recent formal determinations with respect to CIA records.

We have again reviewed the 43 documents which the Board has decided to release now, either fully or with some information postponed. Please advise the Board that the Agency does not plan to appeal to the President for additional postponements with respect to the documents listed in your letter.

We note that further review will be necessary by December 1995 to determine if additional information in a number of the documents can be released. We are prepared to discuss with the Board and your staff any issues that may arise with regard to declassifying and releasing CIA-originated information.

Sincerely,

John F. Pereira
